

Electrical Facilitator

About Tec-NQ

Tec-NQ is a Registered Training Organisation (RTO) and senior secondary school. Tec-NQ delivers education and training to Townsville and the North Queensland region, including full time apprentice training, on demand industry training, pre-employment programs and school-based apprentice programs. Vocational and trade training is provided across the broad industry areas including Construction, Electro-technology, Engineering, Automotive and Information Technology.

Tec-NQ operates in a state of the art facility and delivers innovative curriculum and training programs that are supported by strong links with industry. As a company, Tec-NQ values safety in the workplace, maintaining high standards of compliance as both a school and an RTO, and inspiring transformative change. Tec-NQ seeks to employ motivated and experienced facilitators to deliver a contextualised and unique program, with the aim to create employability and success for all learners.
