

Heavy Commercial Vehicle Facilitator

About Tec-NQ

Tec-NQ is a Registered Training Organisation (RTO) and an Independent Senior Secondary School. Tec-NQ delivers education and training to Townsville and the North Queensland region, including full time apprentice training, on demand industry training, pre-employment programs and school-based apprentice programs. Vocational and trade training is provided across the broad industry areas including Construction, Electro-technology, Engineering, Automotive and Information Technology.

Tec-NQ operates in a state of the art facility and delivers innovative curriculum and training programs that are supported by strong links with industry. As a company, Tec-NQ values safety in the workplace, maintaining high standards of compliance as both a school and an RTO, and inspiring transformative change. Tec-NQ seeks to employ motivated and experienced facilitators to deliver a contextualised and unique program, with the aim to create employability and success for all learners.

About the Role

Due to growth in the business, Tec-NQ requires additional support in the delivery of our Automotive Mechanical Heavy Vehicle training package. We are currently seeking a suitably qualified applicant to join the team as an Automotive Facilitator on a full-time basis.

Selection Criteria

Essential

1. Certificate IV in Training and Assessment (TAE)
2. Heavy Vehicle Automotive trade qualification with a minimum of 5 years experience working in the industry
3. Possess a Certificate III in Heavy Commercial Vehicle Mechanical Technology
4. Ability to use information technology in various formats and combinations to enrich and extend the learning opportunities of the students;
5. Well developed verbal and written communication skills;
6. Current C-Class Australian Drivers Licence.

Desirable

1. Demonstrated experience in the development, delivery and assessment of Certificate III in AUR30616, AUR31116 and AUR31216 with the ability to adopt a multi-disciplinary approach to training and learning
2. Previous training / facilitating experience

Applications close Sunday 7 October 2018
