

Mathematics / Science Teacher

About the Role

Due to growth in business, Tec-NQ requires further support in the delivery of our Academic Programs. We are currently seeking a suitably qualified applicant to join the training delivery team as an Academic Facilitator, teaching QMEA Science Maths and Related Technologies. The successful applicant will possess a background in Maths / Science discipline areas with a strong passion for educating and bringing out the best in their students through creative and innovative delivery modes.

About Tec-NQ

Tec-NQ is an Independent Senior Secondary School and Registered Training Organisation (RTO). Tec-NQ delivers education and training to the Townsville and North Queensland region, including full time apprentice training, on demand industry training, pre-employment programs and school-based apprentice programs. Vocational training is provided across broad industry areas including Construction, Electro-technology, Engineering, Automotive and Information Technology.

Tec-NQ delivers an innovative curriculum and training program that is supported by strong links with industry. As a company, Tec-NQ values safety in the workplace, maintaining high standards of compliance as both a senior secondary school and RTO. Tec-NQ seeks to employ motivated and experienced facilitators to deliver a contextualised and unique program, with the aim to create employability and success for all learners.

Selection Criteria

1. Bachelor of Education qualification;
2. Demonstrated experience in the development, delivery and assessment of secondary Maths / science with the ability to adopt a multi-disciplinary approach to teaching and learning;
3. Ability to use information technology in various formats and combinations to enrich and extend the learning opportunities of the students;
4. Current registration with Queensland College of Teachers;
5. Knowledge of the trade environment and trade careers would be desirable.

Applications close Sunday 23rd June 2019
