## ABOUT US

As an independent registered training organisation (RTO), Tec-NQ delivers nationally accredited qualifications through the provision of full time apprentice training, VET in Schools programs, short courses and training. Trainers are trade qualified and industry experienced. With a focus on face-to-face delivery and hands-on practical assessments, Tec-NQ delivers quality trades training for apprentices across Queensland.

As an accredited senior school and boarding school for years 10 to 12, Tec-NQ has successfully enabled hundreds of North Queensland students to complete their Queensland Certificate of Education (QCE) and nationally recognised qualifications whilst developing their employability skills and building a work-based educational portfolio of success.

***This blend of operational diversity allows Tec-NQ to deliver on its Vision: Creating employability and success through industry skills, experience and support.***

## WORKING WITH INDUSTRY

**Tec-NQ invests heavily in industry support.**

With a dedicated industry team, Tec-NQ has crafted a strong partnership with local industry that has enabled hundreds of North Queensland apprentices to get their start in industry and complete their trade qualification.
