**Carpentry Facilitator (Fixed-Term)**

#### **About the Role**

Due to the growth in our business Tec-NQ requires further support in the delivery of the Certificate III in Carpentry. We are current seeking a suitably qualified applicant to join the training delivery team as a Carpentry Facilitator on a full time 12 month fixed-term contract, commencing in early 2021.

Tec-NQ is a Registered Training Organisation (RTO) and Non-State School. Tec-NQ delivers education and trade training in construction, electro-technology, engineering and automotive.

#### **About Tec-NQ**

Tec-NQ is an Independent Senior Secondary School and Registered Training Organisation (RTO). Tec-NQ delivers education and training to the Townsville and North Queensland region, including full time apprentice training, on demand industry training, pre-employment programs and school-based apprentice programs. Vocational training is provided across broad industry areas including Construction, Electro-technology, Engineering, Automotive and Information Technology.

Tec-NQ delivers innovative curriculum and training programs that are supported by strong links with industry. As a company, Tec-NQ values safety in the workplace, maintaining high standards of compliance as both an Independent Senior Secondary School and RTO.

Selection Criteria

#### **Essential**

1. Carpentry trade qualification with a minimum of 5 years post trade experience working in the industry;
2. Certificate IV in Training and Assessment (TAE40116 or TAE40110 with the required units)
3. Well developed verbal and written communication skills;
4. Ability to use information technology in various formats and combinations to enrich and extend the learning opportunities of the students;
5. Current C-Class Australian Drivers Licence; and
6. Queensland 'Blue Card – Working with children card' or eligibility to attain.

#### **Desirable**

Applicants who possess the following additional qualifications would be viewed favourably:

1. Demonstrated experience in the development, delivery and assessment of Certificate III in Carpentry with the ability to adopt a multi-disciplinary approach to teaching and learning;

**Forward your resume and response to selection criteria by Sunday 17<sup>th</sup> January 2021 to:**
