

Electrical Facilitator

About the Role

Tec-NQ is seeking a highly motivated and innovative Facilitator who is committed and passionate about making a difference to the Electrical Trade for North Queensland Youth & Apprentices. This position will support the delivery of programs across the scope of our operations as an RTO and School up to, and including, Certificate III in Electro-Technology. The successful applicant will need to possess a Certificate III in Electrical or a higher qualification. This is a Townsville based role, however there may be some travel to Mackay or Cairns required.

About Tec-NQ

Tec-NQ is an Independent Senior Secondary School and Registered Training Organisation (RTO). Tec-NQ delivers education and training to the Townsville and North Queensland region, including full time apprentice training, on demand industry training, pre-employment programs and school-based apprentice programs. Vocational training is provided across broad industry areas including Construction, Electro-technology, Engineering, Automotive and Information Technology.

Tec-NQ delivers innovative curriculum and training programs that are supported by strong links with industry. As a company, Tec-NQ values safety in the workplace, maintaining high standards of compliance as both an Independent Senior Secondary School and RTO.

Selection Criteria

Essential

1. Possession of a trade qualification in Electrical with a minimum of five years post trade work experience in the Electrical Industry
2. Certificate IV in Training and Assessment (TAE40116 or TAE40110 with the required units)
3. Well developed verbal and written communication skills;
4. Ability to use information technology in various formats and combinations to enrich and extend the learning opportunities of the students;
5. Current C-Class Australian Drivers Licence; and
6. Queensland 'Blue Card' to work with children or eligibility to attain.

Desirable

1. Demonstrated experience in the development, delivery and assessment of Certificate III in Engineering – Fabrication Trade with the ability to adopt a multi-disciplinary approach to teaching and learning
