

## Head of VET - Electrical

### About the Role

Tec-NQ is seeking a Head of VET – Electrical, who is motivated, innovative and committed about making a difference to the Electrical Trade for North Queensland Youth & Apprentices. This position will manage and support the delivery of programs across the scope of our operations as an RTO and School up to, and including, Certificate III in Electro-Technology. The Head of Vet – Electrical is responsible for overseeing all the Electrical Facilitators within the organisation, providing mentoring, assistance and guidance as required. The successful applicant will need to possess a Certificate III in Electrical or a higher qualification, Certificate IV in Training and Assessment or higher and have previous supervision/management experience. This is a Townsville based role, however there may be some travel to Mackay or Cairns required.

### About Tec-NQ

Tec-NQ is an Independent Senior Secondary School and Registered Training Organisation (RTO). Tec-NQ delivers education and training to the Townsville and North Queensland region, including full time apprentice training, on demand industry training, pre-employment programs and school-based apprentice programs. Vocational training is provided across broad industry areas including Construction, Electro-technology, Engineering, Automotive and Information Technology.

Tec-NQ delivers innovative curriculum and training programs that are supported by strong links with industry. As a company, Tec-NQ values safety in the workplace, maintaining high standards of compliance as both an Independent Senior Secondary School and RTO.

### Selection Criteria

#### Essential

1. Possession of a trade qualification in Electrical with a minimum of five years post trade work experience in the Electrical Industry
2. Certificate IV in Training and Assessment (TAE40116 or TAE40110 with the required units) or a higher qualification
3. Demonstrated ability to plan, develop, monitor and review school & VET policies, timetabling, room allocations, staff resourcing and programs to a high level
4. Previous experience with managing or supervising a team
5. Well-developed verbal and written communication skills;
6. Current C-Class Australian Drivers Licence; and
7. Queensland 'Blue Card' to work with children or eligibility to attain.

#### Desirable

1. Demonstrated experience in the development, delivery and assessment of Certificate III in Electrical with the ability to adopt a multi-disciplinary approach to teaching and learning
