## **Application for Variation of Fees**

Page 1 of 2

In cases of extreme financial hardship, Tec-NQ may provide some financial assistance to student's who may be financially disadvantaged. Tec-NQ may do this in a number of ways including exemption from payments, reduction of payments, or extension of time allowed for payments.

Please consider your need for a fees payment variation carefully, as regrettably we have a limited amount of funds available to meet the needs of the entire school community.

To enable us to make an equitable and consistent assessment the assistance we may be able to provide to you and others, you will need to apply for any available assistance by providing information about your financial situation. Please complete the information fully and provide supporting documentation where required.
