LOW VOLTAGE RESCUE AND CPR

COURSE INFORMATION

Successful completion of this course enables participants working within the electrical industry to act as a safety observer. It provides participants with the skills to manage an electrical accident and perform low voltage panel rescue in accordance with the Electrical Safety Regulation 2013.

This course provides training and assessment in the following unit of competency:

HLTAID009

Provide cardiopulmonary resuscitation

UETDRRF004

Perform rescue from a live low voltage panel

COURSE OUTCOME

Upon successful completion of this course participants will receive a Statement of Attainment in UETDRMP007 - Perform rescue from a live LV panel and HLTAID009 - Provide cardiopulmonary resuscitation.

Revalidation of UETDRMP007 and HLTAID009 is required every 12 months for persons working in the electrical industry as per the Electrical Safety Regulations 2013.

COURSE PREREQUISITES

There are no prerequisites for this course.

ENTRY REQUIREMENTS

There are no entry requirements for this course.

COURSE OUTLINE

This course provides learners with the skills and knowledge required to safely identify electrical hazards, assess the area for danger, safely remove a person connected to low voltage electrical supply and carry out first aid measures including CPR if required. It also addresses identification of additional hazards and risks, and incident reporting.

DELIVERY MODE

Training is delivered face-to-face.

COURSE TOPICS

- DRSABCD Action Plan
- Managing the unconscious, breathing casualty
- Cardiopulmonary Resuscitation (CPR)
- Choking
- Legal requirements and obligations
- Infection control
- Defibrillation awareness
- Introduction to low voltage principles
- Rescue from low voltage apparatus
- Hazards and risk management

COURSE COST

PAYMENT	Due on Enrolment	\$75
----------------	------------------	------

DELIVERY DATES

DATE	TBA
DURATION	3 HOURS
TRAINING TIME	3:00pm - 6:00pm

ENROLMENT ENQUIRIES

For all enrolment enquiries please contact Tec-NQ by phone on **07 4779 2199** or via email on **info@tecnq.com.au**

GENERAL ENQUIRIES

54 Discovery Drive
Douglas Townsville QLD 4814

PO Box 105 JCU QLD 4811

P (07) 4779 2199
E info@tecnq.com.au
