AUR20520 CERTIFICATE II AUTOMOTIVE SERVICING TECHNOLOGY

NATIONALLY RECOGNISED
TRAINING

COURSE INFORMATION

This qualification covers the skills and knowledge required for employment in the automotive retail, service and repair industry.

The qualification has been specifically developed to meet the needs of the automotive retail, service and repair industry.

As part of their training the trainee will perform a range of servicing tasks in the automotive retail, service and repair industry.

They will perform tasks including discussing problems with drivers/users to identify basic auto faults and carry out their own troubleshooting processes.

They will inspect and service engines, cooling systems, brake systems, steering and suspension systems, drive shafts and final drive assemblies.

COURSE OUTCOME

Successful completion of the course will result in the issuance of a Certificate of Qualification and a nationally recognised Statement of Attainment for AUR20520 - Certificate II in Automotive Servicing Technology.

There is no licensed outcome for this course.

COURSE PREREQUISITES

There are no prerequisites for this course.

ENTRY REQUIREMENTS

Participants must be employed and registered under a training contract as an trainee.

Tec-NQ conducts a learning, literacy and numeracy assessment as part of its enrolment process.

TRAINING & ASSESSMENT

Training is delivered by Tec-NQ and can be a combination of:

- Face-to-face facilitator lead instruction in both practical workshop and classroom contexts
- Online theory
- On the job blended learning

Tec-NQ will employ a range of assessment methods designed to gather evidence from a variety of sources in different forms.

The evidence gathering techniques will be direct, indirect and supplementary.

COSTS/ CONCESSIONS

Eligible apprentices who meet the Queensland state funding requirements will be charged a set fee of \$1.60*/nominal hour. Certified training is GST free.

As a priority 2 funding level, 87.5% of the training will be subsidised under the user choice program. Employer or trainee will be responsible for the gap of the training costs.

Nominal hours for each unit of competency are provided in the training plan.

Fees are set by the Queensland Government department that is responsible for training. Fees are subject to change over the course of an apprenticeship.

Some students may be eligible for concessions. Please check with your enrolments officer when registering for the course.
